Bill Smith Memorial Lecture

Bill lived his inspiration in many ways throughout his school and professional careers. As a student at UC Davis School of Law, he interned in the areas of disability law and gay rights. He also won the Martin Luther King, Jr. Service Award for community service promoting Dr. King’s dream of social justice and human rights. The Bill Smith Memorial Lecture began in his honor in 2001 as a way to educate the King Hall Community on LGBT legal issues.
